## Cadets return early for team building

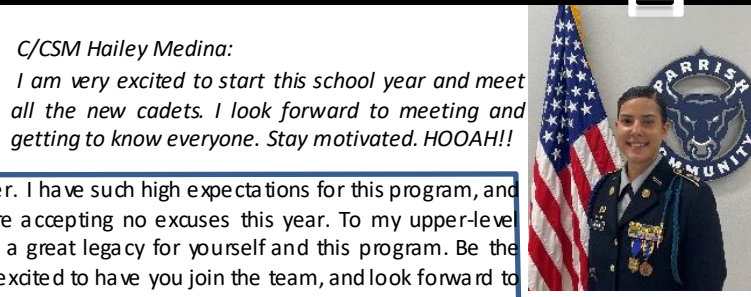

Cadets were very supportive of their school when they helped in various ways at the 9th grade student orientation. They also came back together just before school started to prepare for new coming LET 1's.

### COMMAND TEAM MESSAGE

*C/LTC Chase Bowen:  
Never put yourself in a position where you can take from fellow cadets*

*C/CSM Hailey Medina:  
I am very excited to start this school year and meet all the new cadets. I look forward to meeting and getting to know everyone. Stay motivated. HOOAH!!*

*SAI Comments:* What a great start to our best year ever. I have such high expectations for this program, and we have the right leaders in the right roles and we're accepting no excuses this year. To my upper-level students, you have a unique opportunity to establish a great legacy for yourself and this program. Be the change you want to see! For our new LET 1's, we are excited to have you join the team, and look forward to making this your most enriching experience at PCHS. HOOAH!!!
